MEMBERSHIP: As this year winds down, it is time to start thinking about next year. All troop leaders and service team members who will be stepping down from their position should tell their Neighborhood Chair and Community Membership Coordinator. If you will no longer be leading a troop, it is your responsibility to find a replacement. If you will be moving up with your girls to the next level, start thinking about who will be able to take your place for any girls who will remain in that troop.
